

# Cayuga Lake Watershed Network

## Membership Form

*It takes a Network to protect a watershed, it takes you to make a Network!*

Through membership, you are directly supporting our mission to advocate for the health of Cayuga Lake and its watershed in a changing world.

As a member, you will receive our newsletter and be kept up to date on what is happening in the watershed environment and communities. You will learn about events and actions that you can take part in to both protect and enjoy our lake, creeks, land, and communities.

Thank you!

---
